We are celebrating our Seniors, and our Taylor Avo is a delight and a treasure! All who are blessed to know her are delighted with her smile, her tender and caring heart, but also her fun and witty nature.

We are proud beyond words and know she will continue doing good as a nurse, or wherever he dreams and goals take her.

We love you to the moon and back Tay -
Forever yours, Dad, Mom, and Linds

Gratitude and pride fill our hearts as we reflect how fast you've grown into such a unique and wonderful person. We can't wait to see whatever your next journey brings. You will be a difference-maker. A wise man once said, "be the change you want to see in the world". So make the world a better place, but never compromise your own peace and happiness. They matter the most. Congrats! Sooooo proud of you. We love you now & always!
