Congratulations LG Class of 2016!

ISABELLA HILL

Dear Isabella, we are so proud of the work you have put into high school and how you have made it a point to be involved. Raising money and committing your own time to live and work in Nicaragua last year was really something special and meant a lot to us. To have a caring and considerate nature which compels you to be there for your friends and help others who are less fortunate than you is very cool. So with this foundation, we look forward to seeing where this world will take our darling Isabella...never forget to have some fun along the way. Love Dad, Mom & Campbell

Kathryn Hench

It has been an absolute gift to watch you grow and accomplish so much at LGHS. We are so proud of how you have served your community through leadership and NCL and demonstrated courage, strength and determination through water polo as an allleague player and OCS champion. You are a remarkable young lady. We are excited for you to embark on the next part of your journey as you join your sister at San Diego State University and look forward to continuing watching you blossom in this next chapter of your life. Go Aztecs!

Much Love,
Mom, Dad & Kristen
