Marissa Proverbs

Marissa, congratulations on your graduation! Your mom and dad are very proud of you and excited for your future. You have balanced school, dance and more dance, all the while developing great friendships. Your friends are good people like you!
FIGHT ON!!!

COLE POTTER

Cole,

You have always carved out your own path. We so admire your willingness to try new things and then, to do them so well. Congrats!

As you head off to study political science and creative writing, may you (in the words of Ben Franklin) "either write something worth reading or do something worth writing."

And, don't forget to stop and smell the flowers!

We love you and are so very proud of you.

XO Mom, Dad, and Enza
